

**UTAH OFFICE
FOR VICTIMS OF CRIME**

Dignity, Fairness, and Respect

are basic human rights. Although everyone is entitled to these rights, victims are often defenseless during the most difficult times in their lives unless they are informed and understand that they have rights, as well as services and benefits available to help them in their time of need. The Utah Office for Victims of Crime is working hard to make these types of experiences better for victims of crime.

**UTAH OFFICE FOR VICTIMS OF CRIME
